

# ROCK EAGLE 4-H CENTER

## FOREST MANAGEMENT

### JOURNAL QUESTIONS ROCK EAGLE ENVIRONMENTAL EDUCATION PROGRAM

**Key Words:** cruise, merchantable height, DBH, management plan

1. Was your plot a true representative of Rock Eagle forest? Why/why not?
2. In your opinion, do forests need to be managed? Why/why not?
3. What was the most difficult activity when you cruised your plot? Why? What was your favorite activity and why?
4. What management goal did your group choose? Why? If you combined the data from all the plots in your class, would the same goal be appropriate? Why/why not?

*Making the best better!*
