

ROCK EAGLE 4-H CENTER

NATIVE AMERICAN STUDIES

JOURNAL QUESTIONS

ROCK EAGLE'S ENVIRONMENTAL EDUCATION FIELD STUDY

1. Name three skills you learned in class.
2. Identify at least one environmental influence affecting a skill you learned.
3. What are some tasks you might have been responsible for if you were a member of the local native tribe?
4. Would any of the skills be important to Native Americans today? Why or why not?

Making the best better!
